SJCALL Simplex		Tuesday 7:10 PM	18 Simplex	462.6250	CTCSS	Tx 141.3 Rx 141.3	Relay unacknowledge check-ins to Net Control
How to check-in: When invited, check-in using your GMRS call sign (phonetically), followed by your first name and city council district							
After your check-in: Wait for Net Control to acknowledge you; If you are not acknowledged -> check-in again							
If Net Control does not acknowledge a check-in from another station -> relay the check-in to Net Control							
Unacknowledged check-ins by Net Control are more likely to happen on simplex nets
