

SJNCERT Ham Net Update

Now with AI6EH & W6UU (UHF) Repeaters

Starting Oct. 13, 2026

Date: Monthly Net on the second Tuesday of the month

Time: 6:30 to 6:40 PM

Repeaters: AI6EH (Crossband) and W6UU (UHF) -> check-in on both repeaters

Note: This net is for licensed amateur (ham) radio operators

AI6EH Repeater Information

Repeater Call Sign: AI6EH (suggestion: on your radio, use channel name "AI6EHx", x=crossband)

Function: Resource Net for CERT & RACES

Repeater Type: Crossband Repeater

Location: Willow Glen neighborhood, San Jose

Receive Frequency: 147.555 MHz, PL 123.0

Transmit Frequency: 446.500 MHz, PL 123.0

W6UU (UHF) Repeater Information (Added Oct. 2026)

Repeater Call Sign: W6UU (UHF) (suggestion: on your radio, use channel name "W6UU7", 7=70cm UHF) -> there is also a W6UU VHF repeater (see below *)

Function: Resource Net for CERT and RACES

Location: Regional Medical Center, San Jose (N. Jackson & McKee)

Frequency: 442.425 MHz, PL 107.2 Tx (no PL for Rx)

Offset: +5 MHz

The W6UU repeater is operated by the Santa Clara County Amateur Radio Association (SCARA). SJNCERT thanks SCCARA for the use of their repeater!

CHIRP channel setup for AI6EHx and W6UU7

(A CHIRP image file is available for cut & paste -> Send email to Wyman)

[illegible]

Summary of updated SJNCERT Ham/GMRS Net Schedule

Occurrence	Date	Time	Band	Repeater or Simplex
Monthly	2nd Tues	6:30 PM	Ham	AI6EH Crossband
				W6UU (UHF)
Weekly	Every Tues	6:40 PM	GMRS	AVCERT
Weekly	Every Tues	6:50 PM	GMRS	SJCERT1 / SJCERT2
Weekly	Every Tues	7:00 PM	GMRS	BANDIT
Monthly	2nd Tues	7:10 PM	GMRS	Simplex
Effective Oct. 2026				

If you have any questions or would like to test your radio before the net, please contact John, Gary or Wyman.

We are looking for radio operators who would like to be Net Control Operators for any of the above Ham or GMRS nets. No long term commitment required. We will provide with training, net script and check-in roster. This is a great learning opportunity. Send an email if you are interested.

John (johnnourse@aol.com)

Gary (gmarzano12@gmail.com)

Wyman (rmacwhy@gmail.com)

*The SJNCERT ham net is on the W6UU UHF repeater

There is also a W6UU VHF repeater

W6UU VHF -> 146.985 MHz, PL 114.8 Tx (No Rx PL), Offset -0.6 MHz

(suggestion: on your radio, use channel name "W6UU" for the VHF repeater to differentiate from "W6UU7" for the UHF repeater)
